听力陷阱与同义替换（讲方法）

题号	你听到的	考点	判断
1	bags … much too expensive；a book … still hasn't finished it	转折 + 否定评价	前两个选项被否定，答案是最后出现的 the market / lovely flowers
2	wanted to do chess, but my piano lesson；I'd have to carry my guitar	but 转折 + 负面理由	选项原词（chess / guitar）都是干扰，结论句 the pool → swimming
3	The car's making a strange noise；taking the bikes costs extra	双重否定排除	car 与 bike 都被排除，剩 train
4	quarter past six（要吃晚饭在车里）；half past seven（爸爸在上班）；twenty past eight	时间干扰项	前两个时间各带一个否定理由，答案落在唯一可行的时刻
5	rain all day；not in May（否定 snow）；won't be sunny either	明确否定	rain 是唯一被正面陈述的天气
6–10	the fourth → the fourteenth；train if you miss the bus；make the beds（不能做）	数字 / 日期校正	听到 “some of you thought it was the fourth” 就必须改填 fourteenth
11–15	too far from her work → mum got a job；library amazing；only two kilometres → walk	同义替换	位移原因、最喜爱场所、上学方式都要“翻译”后选
21–25	offered to paint the gate, but Dad …；the dog will have to wait；wanted to make the beds, but she can't carry the sheets	主动排除干扰项	选项 A–H 里有 3 个“被提到但没做”的陷阱（C / G / H）

两条万能方法：① 转折词（but / however / I'm afraid）后面才是答案；② 选项原词照抄出现时，先怀疑它是干扰项，答案常是同义替换（the pool → swimming、walk → on foot）。

二、听力原文（Tapescripts）

Listening Part 1

Questions 1

> Man: Hi, Lucy. Have you found a present for your mum's birthday yet?

> Woman: I looked at some bags in the shopping centre, but they were much too expensive.

> Man: What about a book? She loves reading, doesn't she?

> Woman: I gave her one last year and she still hasn't finished it, so I don't think books are a good idea.

> Man: So what did you get in the end?

> Woman: Well, I went to the market on Saturday and bought some lovely flowers. She can put them in the living room.

> Man: That's a lovely present.

Questions 2

> Man: Anna, have you decided which after-school club you're going to do this term?

> Woman: I wanted to do chess with Peter, but it's on Tuesdays and I have my piano lesson that afternoon.

> Man: What about the music club? You're good at the guitar.

> Woman: I'd have to carry my guitar to school every week and it's really heavy. My sister says the swimming club is great, and it's on Thursdays.

> Man: So that's decided, then?

> Woman: Yes, I'm going to the pool every Thursday from now on.

Questions 3

> Woman: I've booked the hotel for our trip to the seaside in August.

> Man: Great! Shall we drive there? It's only about two hours in the car.

> Woman: The car's making a strange noise at the moment. I don't want to break down on the motorway with the children.

> Man: OK, then. What about the train? We can take our bikes with us.

> Woman: Four tickets are quite expensive, and taking the bikes costs extra. Let's take the train and hire bikes when we get there.

> Man: Good idea. I'll book the tickets tonight.

Questions 4

> Man: Hi, Emma. Are we still going to the cinema on Saturday?

> Woman: Yes! But the first film starts at quarter past six, and I'd have to eat my dinner in the car.

> Man: I've got football until half past six anyway. What time is the next one?

> Woman: Half past seven — but my dad's working then, and he's the only one who can drive us.

> Man: So which one shall we choose?

> Woman: There's one at twenty past eight, and Dad finishes work at seven. Perfect!

> Man: Great. See you on Saturday.

Questions 5

> Woman: Have you heard the weather forecast for our school trip on Friday?

> Man: Yes. It's going to rain all day, I'm afraid. Quite cold, too.

> Woman: Oh no! My mum said there might be snow.

> Man: Not in May! And it won't be sunny either. The teacher says we're still going — we just need to take boots and a coat.

> Woman: I'd better find my umbrella, then.

Listening Part 2

Questions 6-10

Woman: Hello, everyone. Thank you for coming to this talk about our visit to the city aquarium next month. Please listen carefully, because there are several things I need to tell you.

Woman: First, the date. Our visit is on Friday the fourteenth of March. Some of you thought it was the fourth, so please tell your parents the correct date tonight.

Woman: Next, the journey. The bus will leave from the school gate at a quarter to nine. It's a long drive, about ninety minutes, so don't be late. If you miss the bus, you'll have to travel by train and you'll pay for the ticket yourself.

Woman: When we arrive, a guide will meet us at the entrance. The first thing we're going to do is watch the sharks being fed, because that only happens in the morning. After that, we'll see the new penguins and the big fish from the river.

Woman: Now, lunch. Please bring a packed lunch and a drink with you. There is a café at the aquarium, but the queue is always very long and we won't have time to wait.

Woman: Finally, the money. The student ticket is twelve pounds, and that includes the bus and the guide. Please bring it in a closed envelope with your name on it and give it to me by Friday.

Woman: That's everything. Any questions?

Listening Part 3

Questions 11-15

Man: Hi, Maria! How's the new school?

Woman: It's OK, thanks. We moved here in September because my mum got a job at the hospital in town. Our old house was fine — it was just too far from her work.

Man: What about your grandparents? You used to see them every weekend.

Woman: They're coming to stay with us next month. We're actually closer to them now — only an hour by car.

Man: So what's the school like?

Woman: The classrooms are quite small and the sports hall isn't very big. But the library is amazing! There are hundreds of new books and you can borrow five at a time. It's my favourite place in the whole building.

Man: How do you get to school now?

Woman: The bus is really expensive and it's only two kilometres, so I usually walk. My dad gives me a lift when it's raining hard.

Man: And the other students? Do you miss your old friends?

Woman: Well, at first nobody talked to me and I ate my lunch alone. Then a girl in my class asked me to join the photography club, and now I've got lots of friends there.

Man: So are you happy you moved?

> Woman: I was really worried about it, but I'm much happier here than I expected. I still phone my old friends every Sunday.

Listening Part 4

Questions 16

> Woman: Did you see that new film about the jungle? I went last night.

> Man: Was it good?

> Woman: The story was a bit boring at the beginning, but the last twenty minutes were really exciting. And the music was great, too.

Questions 17

> Woman: Before you go home, I have some news. I'm afraid the trip to the castle on Thursday is cancelled — the coach company has a problem with its drivers. We're going next Monday instead, so please tell your parents tonight.

Questions 18

> Man: Hi, Sam, it's Jack. Listen, I'm really sorry but I can't come to your birthday party on Saturday — my cousin's getting married and we have to travel to Manchester.

> Woman: Oh no, that's a shame!

> Man: I've got your present here at home, though. Can I bring it to school on Monday?

> Woman: Of course. See you then.

Questions 19

> Woman: I bought this shirt for my son yesterday, but it's too small for him. Can I change it for a bigger one?

> Man: Of course. Have you got the receipt? ... Thank you. We have a larger size, but only in green.

> Woman: He never wears green. In that case I'll just have the money back, please.

Questions 20

> Man: I've wanted a new bike for ages. My parents said I had to save up for it myself, so I washed cars all summer to get the money. I collected it from the shop last week — it's red, and it's much lighter than my old one. My little sister has already asked if she can borrow it!

Listening Part 5

Questions 21-25

> Woman: Jack! Have you seen the list of jobs Mum left for us? Grandma's coming to stay on Sunday.

> Man: Not yet. What does she want us to do?

> Woman: Well, I've got the garden. I offered to paint the gate, but Dad has already bought the paint and he wants to do that himself. So I'm cutting the grass and pulling up the old flowers.

> Man: Poor you. Poor me, too — I'm washing the car. The dog will have to wait, because I haven't got time to take him out as well.

> Woman: And Mum? She isn't cooking, is she?

> Man: No, she's going to the supermarket. There's a long list on the fridge, and she says she needs two hours. Dad's cooking dinner when she gets back, and he's making a cake for Grandma too.

> Woman: What about Grandma? Can she help?

> Man: She wanted to make the beds, but she can't carry the sheets upstairs. So she's cleaning the windows with my sister — you know, the big ones in the kitchen and the living room.

> Woman: Right. Let's start now, or we'll be working all weekend.

三、阅读答案

Part	题号	答案	Part	题号	答案
Part 1	1	B	Part 3	14	B
Part 1	2	B	Part 3	15	A
Part 1	3	C	Part 3	16	A
Part 1	4	A	Part 3	17	A
Part 1	5	B	Part 3	18	C
Part 1	6	B	Part 4	19	A
Part 2	7	B	Part 4	20	B
Part 2	8	A	Part 4	21	A
Part 2	9	C	Part 4	22	A
Part 2	10	C	Part 4	23	B
Part 2	11	B	Part 4	24	B
Part 2	12	A	Part 5	25	to
Part 2	13	B	Part 5	26	for
—	—	—	Part 5	27	than
—	—	—	Part 5	28	of
—	—	—	Part 5	29	by
—	—	—	Part 5	30	but

阅读陷阱与定位（讲方法）

题号	原文线索	干扰项为何错	方法
1	close at 4 p.m. on Friday … normal hours on Monday	A 说“整周关门”，C 把“恢复开放”当成“书展结束”	时间状语必须逐字对应
2	can't come … I've hurt my knee … tell Coach	A 的 late、C 的 take my place 原文都没说	信息题只看“说了什么”，不推理
4	starts at 7 p.m., not 7.30 … as we said last week	B“取消”无中生有	否定结构（not）常是答案所在
5	leave your bike in the racks at the back	A 是"no bikes in front"的反面；C 范围扩大	标识题先抓禁止/要求动词（must / please）
9	My granddad … teaches me to play chess	老人 ≠ 老师，但“older person”正好对应 granddad	Part 2 用「谁+做什么」两栏定位
12	we all watch a film at home together	Jake 是做饭，不是看电影	同一动作只在一个人身上出现才敢选
15	the city is warmer than the countryside	B/C 原文无对应	因果题找 because / 比较结构
18	don't run away … probably a very busy city bee	A 买蜂蜜、B 当养蜂人原文均未建议	作者意图题看最后一段的呼吁句
19	arrived at the stadium（reach 后不接 at）	B reach 不能与 at 连用	完形先看搭配（动词 + 介词）
21	scored a goal	win 搭配 match / won，不能 win a goal	完形考搭配，不考“意思差不多”
23	I've worn it every day	dress 需接人（dress the baby）	及物/不及物是分水岭
25–30	went to the mountains；stayed for two nights；quieter than；a lot of；cards by the fire；but she won	无选项完形只考功能词	先判断空后词的词性（名词 / 时间 / 比较 / 连词）再填

Part 5 开放完形做题顺序：先通读整段抓住时态与逻辑 → 逐空判断“缺什么词类”（介词 / 冠词 / 比较词 / 连词）→ 最后用 “介词搭配表 + 转折连词表” 复核。这一步比逐句猜词快得多，也是 KET 阅读最容易拿满分的部分。

四、写作范本

Part 6（邮件，≥25 词）

> To: Sam
> Subject: Sports centre
>
> Hi Sam,
>
> There's a new sports centre near my house and it looks great. Shall we go there next Saturday morning? How much does it cost for one hour? I'd like to swim first and then play table tennis with you. Please write back soon.
>
> See you,
> Li Hua

评分要点（三个内容点缺一扣分）：

内容点	范文对应句
什么时候去	Shall we go there next Saturday morning?
询问价格	How much does it cost for one hour?
建议一起做什么	I'd like to swim first and then play table tennis with you.

Part 7（看图写故事，≥35 词）

> Last Sunday Tom rode his bike to the park and left it under a big tree. When he came back, the back wheel was flat, so he could not ride it home. A man at the bike shop near the park repaired it in ten minutes, and Tom rode home happily.

三格图写作框架：图 1 交代时间地点（rode his bike to the park）→ 图 2 出问题（the back wheel was flat）→ 图 3 解决 + 感受（repaired it … rode home happily）。每格至少一句，全部用一般过去时，这是 Part 7 拿满分的骨架。

五、口语范文

Part 1（示例回答）

- What's your favourite subject? — My favourite subject is science, because we do experiments with water and I like finding out how things work.
- Tell me about your family. — There are four people in my family: my parents, my little sister and me. My sister is eight and she's very noisy, but we play badminton together at the weekend.

Part 2（示例回答）

- Which do you like best? — I like riding my bike best, because I can go to the park with my friends and it's much faster than walking. Watching TV is boring for me — I'd rather do something outside.
- Do you usually do these things alone or with other people? — Usually with other people. I play football with my classmates on Wednesdays, but I read alone in the evening, because it's quiet then.
- Is it important for young people to have hobbies? — Yes, I think so. Hobbies help you relax after school and you can make new friends — for example, I met my best friend at the swimming club.
