听力陷阱与同义替换（讲方法）

题号	你听到的	考点	判断
1	a cake takes two hours（没时间做）；I'm cutting some bread and putting cheese and tomato inside；fruit 是对方要带的	双重干扰：被否定的选项 + 主语错位	蛋糕被"没时间"排除；水果是另一个人的 → 只剩 sandwich
2	wanted to try tennis, but the lessons are on Friday afternoons；my brother plays basketball … I'd rather do something different	but 转折 + 负面评价	tennis、basketball 都被否掉，答案落在最后提到的 pool / swimming
3	I thought we were going to a castle（那是明年）；wanted a farm, but the farmer is too busy；booked a trip to the hills	时间错位 + 转折排除	castle 是去年的安排、farm 被取消 → mountains
4	quarter past four（旧时间）；four o'clock（小孩子上课）；quarter to five（我们的课）；quarter past five（泳池关门）	四个时间互相干扰	问题问"课几点开始"，只有 quarter to five 是本校课时间
5	a dog? We haven't got a garden；a cat? My sister can't be near cats；I've bought a big glass bowl	双重否定 + 关键词替换	狗、猫先后被否；bowl 提示答案是 fish
6–10	the notice still says the thirteenth → the third of June；quarter to nine 是别的校车 → half past nine；lend you a white T-shirt；bring a bottle of water；three photos five pounds	数字 / 日期校正	听到"通知上写的是错的"就必须改成新信息
11–15	the train tickets more expensive than flying, my dad doesn't like planes；we rented a little house；I slept on the sofa；Only the first three days it rained；I didn't want to come home	比较级排除 + 同义替换	出行方式要靠"排除法"得 car；感受题看最后两轮对话
21–25	three scarves already（B 排除）；a good watch costs more than fifty pounds（G 排除）；he only reads comics at the doctor's（D 排除）；CD player next to her chair；books fall out of her old bag	主动排除干扰项	选项 A–H 里有 3 个"被提到但被否掉"的陷阱：B / D / G

两条万能方法：① 转折词（but / however / I'm afraid）后面才是答案；② 选项原词照抄出现时，先怀疑它是干扰项，答案常是同义替换（the pool → swimming、carry the water → stronger arms）。

二、听力原文（Tapescripts）

Listening Part 1

Questions 1

> Man: Are you coming to the school picnic on Saturday, Lucy?

> Woman: Of course. I'm making something to take with me tonight.

> Man: Are you making a cake again? Everybody loved the one you made last term.

> Woman: I haven't got time for that. A cake takes two hours, and I've got my homework to finish.

> Man: So what are you going to make, then?

> Woman: Nothing difficult. I'm cutting some bread and putting cheese and tomato inside.

> Man: Lovely. Shall I bring some fruit?

> Woman: Yes, please. Apples would be nice.

Questions 2

> Man: Have you been to the new sports centre yet, Emma?

> Woman: I went on Monday to look at the classes. I really wanted to try tennis, but the lessons are on Friday afternoons and I have my violin lesson then.

> Man: What about basketball? They've got a new court, I saw it yesterday.

> Woman: My brother plays basketball every week and he's much better than me. I'd rather do something different.

> Man: Oh — and they've got a pool, too.

> Woman: That's it! It's free for students on Mondays. So from next week, that's what I'm going to do.

> Man: Good for you.

Questions 3

> Woman: Did you get the letter about the school trip? My mum signed it last night.

> Man: Yes. I thought we were going to a castle again, like last year.

> Woman: That's next summer. This year the teachers wanted a farm, but the farmer is too busy in May, so they've booked a trip to the hills instead.

> Man: So we're going walking?

> Woman: That's right. Nine kilometres. I need some new boots!

> Man: Me too. See you on the bus.

Questions 4

> Man: Are we still going swimming at quarter past four on Wednesday?

> Woman: No, they've changed the time. The little children have their lesson at four o'clock now, and ours is at quarter to five.

> Man: All right. Shall I meet you at the pool at half past four?

> Woman: Yes — we can do our homework together before we go in. The pool closes at quarter past five, so we won't have long.

> Man: See you on Wednesday, then.

Questions 5

> Woman: Mum says I can have a pet for my birthday next month!

> Man: A dog? You've always wanted a dog.

> Woman: We haven't got a garden, so a dog isn't a good idea. They need to run outside every day.

> Man: What about a cat? Cats are easy.

> Woman: My sister can't be near cats — she gets ill. So I'm getting something for my bedroom.

> Man: Something for your bedroom?

> Woman: Yes. I've already bought a big glass bowl for it.

Listening Part 2

Questions 6-10

> Woman: Good afternoon, everyone. Before you go home, I have some important information about Sports Day. Please listen carefully, because three of the details have changed.

> Woman: First, the date. Sports Day is on Friday the third of June. The notice in the hall still says the thirteenth, so please tell your parents the new date tonight. The nurse will be with us all day, so nobody needs to worry about falling over.

> Woman: Next, the time. The first race starts at half past nine, so I want everybody in the playground by nine o'clock. Please ask your parents to stand behind the white line — last year they walked across the running track!

> Woman: Now, your clothes. You can wear your own shorts and your own socks, but you must wear a white T-shirt. If you haven't got one, Mrs Harris has some in the office and she will lend you one.

> Woman: It is going to be a very hot day, so bring a bottle of water. There is a tap near the sports hall, but you will have to wait in a long queue. Please don't bring anything to eat — we will give you a snack after the last race.

> Woman: And finally, photographs. There will be a photographer with us all morning. Three photos cost five pounds, and you can pay her on the day. That is all. Thank you.

Listening Part 3

Questions 11-15

> Man: Hi, Eva! How was Scotland?

> Woman: It was amazing! We went by car because the train tickets were more expensive than flying, and my dad doesn't like planes.

> Man: How long did it take?

> Woman: About eight hours, which sounds terrible, but my brother and I played games in the back and it was fine.

> Man: Where did you stay? Did you have a tent again?

> Woman: The campsite was full, and hotels there are really expensive, so we rented a little house next to a river. It only had one bedroom, and I slept on the sofa, but I didn't mind at all.

> Man: So what did you do?

> Woman: Lots of walking! Everybody says the boat trip is the best thing to do there, but it rained that day, so we visited an old castle instead. That was interesting, but my favourite thing was a two-hour walk up a mountain. The photos I took from the top are beautiful.

> Man: Was the weather bad, then?

> Woman: Only the first three days. After that the sun came out and it was lovely and warm — much better than here.

> Man: And are you glad you went?

> Woman: Definitely. I didn't want to come home. Next year we're going to the same place for two weeks.

Listening Part 4

Questions 16

> Man: Hello, it's Peter. I'm phoning to say sorry about your science book. I put it in my bag at school, but then I left it at home this morning, so I can't give it to you today. I'll bring it tomorrow, I promise.

Questions 17

> Woman: Before you leave, listen everybody. The coach to the museum will now leave at half past eight, not nine o'clock, because the road near the school is closed. If you arrive late, the coach will not wait for you. Everything else is the same.

Questions 18

> Woman: Hi Jack, it's Anna. Have you got the homework for tomorrow? I wrote it down but I can't read my writing! And listen — my mum says I can go to the cinema on Saturday. Would you like to come with me? Please phone me back tonight.

Questions 19

> Man: Excuse me, I bought this jacket for my son on Saturday but it's too small. Could I change it for a larger one?

> Woman: Of course. Have you got the receipt? ... Thank you. I'm afraid we've sold out of the larger sizes, but we have the same jacket in blue.

> Man: He hates blue. Then I'd like my money back, please.

Questions 20

> Man: I work in a bakery on Saturday mornings. I have to get up at half past five, which is horrible, and the money isn't great. But I stand at the front with the bread and I talk to everybody who comes in — I know all the old ladies in our street now. That's the best part of the job.

Listening Part 5

Questions 21-25

> Woman: Ben, we've got fifty pounds to spend on presents. Grandma's coming at the weekend, so we have to decide today.

> Man: OK. Let's start with Mum. A scarf?

> Woman: She's already got three scarves in her cupboard, so no. She spends all her free time in the garden, so let's get her something for that.

> Man: Good idea. And Dad? A watch? He needs a new one.

> Woman: A good watch costs more than fifty pounds, so forget it. He plays football with his friends every Sunday — his old ball has a hole in it.

> Man: Football it is. What about Alex?

> Woman: I thought about a comic, but he only reads them at the doctor's. He plays games on the computer every evening, though, and he's lost his favourite one.

> Man: That's easy, then. And Grandma?

> Woman: We gave her a book last year and she never opened it. She loves music — she's got a CD player next to her chair and she uses it every day.

> Man: So we'll get that. And Zoe?

> Woman: Her mum says no more computer games at their house, so that's out. She starts a new school in September and all her books fall out of her old bag. She needs something to carry them in.

> Man: Right. Come on, let's go to the shops.

—	—	—	Part 5	27	was
—	—	—	Part 5	28	on
—	—	—	Part 5	29	of
—	—	—	Part 5	30	but

阅读陷阱与定位（讲方法）

题号	原文线索	干扰项为何错	方法
1	practice moves to Wednesday … because the hall is being cleaned on Tuesday	A 把"换个地方"错读成"改到大厅"；C 原文只是提醒带书	先找"动词 + 时间/地点"的变化
2	Can you bring my green notebook … I left it on the kitchen table	A 是"邀请去图书馆"，原文并无邀请；C 说的项目只是原因	短信题看"请对方做什么"
3	Sundays: closed for cleaning	A 把周六开得晚当成"更早"；B 与 closed 直接矛盾	时间表题逐行读，别只扫数字
4	Please return the signed form by Friday	A 原文没提收费；C 原文没让家长打电话	通知题抓"要求动作"（please / must）
5	Bring your old bike and swap it for a bigger one	B 是买新车、C 是修车，原文均未说	关键词 swap 决定答案
6	The printer takes cards, not coins	A 只有打印两页免费，不是全部免费；C 与"two pages"相反	否定结构（not）常是答案所在
9	I can't take books home yet … waiting for my library card	只有 Lily 提到"还不能借回去"	Part 2 用「谁 + 不能做什么」定位
11	My job is to carry the water … my arms are much stronger	其他两人都没提"变强壮"	同一动作只在一个人的段落里出现才敢选
15	the new skin grows best at night	B/C 原文没有对应信息	因果题找 because / 比较结构
17	caught more colds than people who slept eight hours	A 只是常识，原文没说；C 原文未提运动量	数字比较题只认原文的"比什么"
19	a piece of land	slice 用于面包/蛋糕，sheet 用于纸/床单	完形先看名词搭配
21	taught us how to plant the seeds	learn 是"学"，主语是老师时用 teach	及物动词的方向性（谁教谁）
22	we picked our first vegetables（自己种的）	bought / sold 与"自家菜园"矛盾	完形先定语境再选词
23	We spent two hours working outside	use 后不接时间；pass time 是"消磨时间"	固定搭配 spend + 时间 + doing
25–30	went to the seaside with my grandparents；longer than I expected；my grandad was waiting；three days on the beach；a lot of cake；wasn't good, but we had a great time	无选项完形只考功能词	先判断空后词的词性（介词 / 比较 / 助动词 / 连词）再填

Part 5 开放完形做题顺序：先通读整段抓住时态与逻辑 → 逐空判断"缺什么词类"（介词 / 冠词 / 比较词 / 连词 / 助动词）→ 最后用"介词搭配表 + 转折连词表"复核。这一步比逐句猜词快得多，也是 KET 阅读最容易拿满分的部分。

四、写作范本

Part 6（邮件，≥25 词）

> To: Kim
> Subject: Class picnic

> Hi Kim,
>
> We're having a class picnic next Saturday. It's in the park behind our school, next to the lake. We're going to start at eleven o'clock in the morning. Can you bring some apples, please? And could you bring a ball, too? Please write back soon.
>
> See you,
> Li Hua

评分要点（三个内容点缺一扣分）：

内容点	范文对应句
野餐在哪里	It's in the park behind our school, next to the lake.
几点开始	We're going to start at eleven o'clock in the morning.
请对方带什么	Can you bring some apples, please?

Part 7（看图写故事，≥35 词）

> Last Saturday it was Anna's birthday. In the morning she went to the shop with her mum and bought eggs, milk and flour. At home she put everything in a big bowl and mixed it with a spoon. Then her mother cooked the cake, and in the afternoon Anna's friends came to her house. They put three candles on the cake and everybody sang and ate it together. Anna was very happy.

三格图写作框架：图 1 交代时间 + 起因（went to the shop and bought ...）→ 图 2 写过程（put ... in a bowl and mixed it）→ 图 3 结果 + 感受（friends came, sang, ate together, happy）。每格至少一句，全部用一般过去时，这是 Part 7 拿满分的骨架。

五、口语范文

Part 1（示例回答）

- Do you like cooking? — Yes, I do, but I only cook easy things. I can make a cheese sandwich and I sometimes help my mum make cakes at the weekend. I like it because we can talk while we cook.
- Tell me about your favourite meal. — My favourite meal is noodles with chicken and vegetables. We usually have it on Friday evenings, and my dad cooks it. It's much better than the food at school!

Part 2（示例回答）

- Which of these do you like best? — I like eating at a friend's house best, because we can choose what we want and nobody tells us to finish our vegetables. Eating at home is cheaper, but it's a bit boring.
- Do you usually eat alone or with your family? — Usually with my family in the evening, but I eat lunch at school with my classmates. At breakfast I'm alone, because I get up before everybody else.
- Is it important for young people to eat healthy food? — Yes, I think so. If you eat a lot of fast food, you feel tired in the afternoon and you can't work well at school. My mother gives me fruit every day and I feel better than last year.
