听力陷阱与同义替换（讲方法）

题号	你听到的	考点	判断
1	the lions were asleep the whole time；the panda house was closed；jumping into the water again and again	双否定 + 关键词替换	狮子、熊猫先后被排除；\"跳进水里\"只对应企鹅
2	The café stopped making pizza on Mondays；the ice-cream shop is closed until June；a bowl of hot soup with some bread	转折排除 + 同义替换	两个选项被时间/事实否掉 → soup
3	I left it on the school bus（相机）；I'm terrible at painting（画画）；now I cook something every Sunday	双重否定	前两个爱好都被本人否定，答案在最后提到的
4	half past two（旧时间）；we're starting at three o'clock now；don't come at half past three（太晚）	三个时间互相干扰	问题问\"比赛几点开始\"，只有 three o'clock 是新的开始时间
5	a cup of tea? the tea machine is broken；just water? No；orange juice, please — a bottle, not a glass	否定 + 细节限定	bottle 与 glass 的区别是本题的第二个采分点
6–10	the notice says the second → the ninth of May；doors open at six, starts at half past six；be in the hall by quarter past six；a white shirt and black shoes；tickets cost three pounds	日期/时间校正 + 细节填空	听到\"通知上写错了\"就换成新信息；两个时间（6.00 doors / 6.30 start）要分清
11–15	Everybody made a cake, so I made a pizza；my grandma showed me how；I left the salt at home；I put my hand over my mouth — I couldn't believe it；write a list and read it twice	同义替换（surprised / practise）+ 因果	12 题要排除 teachers（规则不许），14 题靠肢体与\"不敢相信\"推情绪
21–25	the tent stays at home（B 排除）；we don't need towels（D 排除）；she bought a new hat last week（F 排除）；sun cream for Mum；the big map for Dad；a torch for Tom；my camera for Rosie；his old blanket for Grandpa	主动排除干扰项	A–H 里有 3 个\"被提到但被否掉\"的陷阱：B / D / F

两条万能方法：① 转折与否定（but / I'm afraid / not / only）后面才是答案；② 选项原词照抄出现时，先怀疑它是干扰项，答案常是同义替换（thirty minutes → half an hour、bus sometimes early → arrives before the doors open、I'd rather cycle → would like a different way）。

二、听力原文（Tapescripts）

Listening Part 1

Questions 1

> Man: Did you enjoy the zoo trip on Tuesday, Lucy?

> Woman: It was great. We were there all afternoon and the weather was lovely.

> Man: Which animal did you like best? The lions?

> Woman: I waited twenty minutes at the lion house, but they were asleep the whole time.

> Man: What about the pandas? Everybody loves pandas.

> Woman: The panda house was closed — they're cleaning it this month. But the penguins! I watched them jumping into the water again and again and I laughed so much.

> Man: We're going again in the summer, aren't we?

> Woman: I hope so.

Questions 2

> Woman: What are you going to have for lunch, Tom? You look cold.

> Man: I've been outside since eight o'clock, so I want something hot.

> Woman: There's pizza, isn't there? I saw it on the board.

> Man: The café stopped making pizza on Mondays — and I had pizza at my cousin's on Friday anyway.

> Woman: What about an ice cream? It's really cheap today.

> Man: Not for me. The ice-cream shop is closed until June. No, I'm going to have a bowl of hot soup with some bread.

> Woman: Good idea. I'll have the same.

Questions 3

> Woman: Have you got a new hobby, Ben? Your mum says you're very busy at the weekend.

> Man: Yes! I tried a few things. My dad gave me his old camera, but I left it on the school bus, so that's finished.

> Woman: Oh no. And didn't you join the art club?

> Man: I did, but I'm terrible at painting — all my pictures look the same. Then my grandpa showed me how to make an omelette, and now I cook something every Sunday.

> Woman: Really? What did you make last weekend?

> Man: Cheese and tomato omelette with a big salad. My family ate everything, so I'm making it again on Sunday.

Questions 4

> Woman: Is the football match still at half past two on Saturday?

> Man: It was, but the other team's coach can't get here before three, so we're starting at three o'clock now.

> Woman: So I'll come at twenty to three.

> Man: Come earlier — we're warming up at two. And don't come at half past three, because by then it will be nearly over.

Questions 5

> Man: Excuse me, could I have a cup of tea, please?

> Woman: I'm afraid the tea machine is broken — it's been like that all week.

> Man: Oh dear. Well, have you got any juice?

> Woman: Apple or orange. Or just water, if you like.

> Man: Orange juice, please. A bottle, not a glass — I've got a long bus journey home.

Listening Part 2

Questions 6-10

> Woman: Good afternoon, everyone. Two things about the school concert before you go home, so please listen carefully.

> Woman: First, the date. The concert is on Friday the ninth of May, not the second of May, as it says on the notice in the hall. Please tell your parents the new date tonight. Mr Bell is buying the flowers, so you don't need to bring anything.

> Woman: Second, the time. The concert starts at half past six, and the doors open at six. I want everybody in the hall by quarter past six — no later, please, because we are going to sing together once before the parents arrive.

> Woman: Now, your clothes. Everybody must wear a white shirt and black shoes. If you haven't got black shoes, come and see me tomorrow — we have some in the music room. You can wear any trousers or skirt you like.

> Woman: And finally, tickets. You don't need a ticket for the afternoon practice, but your family must have a ticket for the concert in the evening. Tickets cost three pounds each, and your parents can pay at the door. That's all. Thank you.

Listening Part 3

Questions 11-15

> Man: Hi Ellie. How was the school cooking competition?

> Woman: Really good, thanks. It was on Saturday morning, in the school kitchen, and twelve of us took part.

> Man: What did you make?

> Woman: Nearly everybody made a cake, so I made a pizza — something different. I had to get up at six o'clock to make the dough.

> Man: Did your mum help you?

> Woman: She wanted to, but she was at work. My grandma showed me how to do it on Friday evening — she makes bread every week. The rules say no help from teachers, but family is fine.

> Man: Were you nervous?

> Woman: A little. And I made a silly mistake: I left the salt at home. I had to run to the school kitchen and ask for some. The oven was fine — I checked the temperature twice before I started, and I was there in good time.

> Man: So how did you do?

> Woman: I was sure I had no chance after the salt, so when they said my name I put my hand over my mouth — I just couldn't believe it. My friend Josh was second and he was really pleased too.

> Man: Will you do it again next year?

> Woman: Definitely. And this time I'm going to write a list and read it twice before I leave the house.

Listening Part 4

Questions 16

> Woman: Hi Max, it's Ella. I'm not phoning about being late — I know you'll eat without me. I'm still at the pool, and I've left my blue bag under the stairs at home. Could you put it in your school bag for tomorrow? My keys and my bus card are in it. Thanks a lot. See you later.

Questions 17

> Woman: Before you go, listen everybody. From tomorrow our maths lesson will be in room twelve, not room eight, because they're painting room eight. Mr Bell is still your teacher, and there is no extra homework — I know some of you were hoping there would be. Everything else stays the same.

Questions 18

> Man: People ask me about my new school. The food is fine — nothing special. The sports hall is closed this term for repairs, so we do games outside. But the library! Two floors of books, and you can stay there after school until five o'clock. That's the best thing about the place.

Questions 19

> Man: Are you busy on Saturday? A few of us are going to the new museum.

> Woman: I'd love to, but my cousin is coming to stay — and I have to study on Sunday for the maths test. But the morning is free, so I've booked a tennis court for ten o'clock. Do you want to play?

> Man: Yes, great. I'll bring the balls.

Questions 20

> Woman: We moved into our new house last weekend. It's smaller than our old flat, and the garden is tiny — it needs a lot of work, but my dad loves it. The best thing is that I don't take the bus any more. I can walk to school in five minutes!

Listening Part 5

Questions 21-25

> Woman: Tom, we're going camping next weekend and none of us has packed anything. Can you help me make a list?

> Man: OK. First, the tent — we're staying in Grandpa's friend's house, and it has got six beds, so the tent stays at home.

> Woman: Good. And we don't need towels either, because there are lots in the bathroom.

> Man: Right. Now Mum. She always gets burnt when we're outside all day, so she needs sun cream. She bought a new hat last week, so she's fine for that.

> Woman: I'll put sun cream for Mum. And Dad? He always gets lost, and his phone doesn't work out there.

> Man: Put the big map from the kitchen in his bag. He likes looking at it on paper.

> Woman: OK. What about you?

> Man: I'm taking a torch. I hate the dark, and I want to read under my blanket after everybody's asleep.

> Woman: And me — I'm taking my camera, because we're doing a project about birds at school and there are hundreds of them near the lake.

> Man: Good idea. And Grandpa?

> Woman: He says that house gets very cold at night, so he wants his old blanket. He takes it everywhere, even in summer.

> Man: That's everything, then. Let's go and get the bags out.

—	—	—	Part 5	29	before
—	—	—	Part 5	30	on

阅读陷阱与定位（讲方法）

题号	原文线索	干扰项为何错	方法
1	Please bring £2 for the bus to the pool；Towels are provided	A 把周二/周四错读成周三；C 与 provided 相反	通知题抓\"付什么钱、带什么、不用带什么\"
2	football practice is not at 5 o'clock today … we're meeting at 6 instead	A 原文没有邀请；B 原文没提球鞋	短信题看\"改了什么\"（时间 / 地点 / 请求）
3	You may use the computers for thirty minutes only	B 原文没要求预约；C 原文没有\"上午禁用\"	数字改写题：thirty minutes = half an hour
4	hot food until 1.30, not 2 o'clock	A 食堂没关门，只是热餐截止提前；C 与 always available 无关	时间变化题分清\"关门\"与\"不再供应\"
5	£1 for a drink and toast；from 7.45 to 8.30	A 起止时间只有 45 分钟，不是 90 分钟；B 8.30 是结束时间	时间表题把起止时间都圈出来
6	please give it to Mrs Cox in the school office	A 原文明确有失物，不必买新的；B \"名字在里面\"不是让读者去找名字	请求动作题抓 please + 动词
8	I walk there with my little sister. She's only six	只有 Isla 提到年纪更小的同伴	Part 2 用\"谁 + 和谁一起\"定位，注意 B 是朋友、不是家人
12	The bus is sometimes early, so I get to school ten minutes before the doors open	只有 Omar 提到到得比开门早	同一事实只在一个人的段落出现才敢选
13	I'd rather cycle, but my mum says the road is too dangerous	只有 Omar 表达了\"想换一种方式\"	注意 would rather / 虚拟愿望类表达
16	The pods grow high up in the trees, so the farmers cut them down by hand: a machine would hurt the tree	A 原文说的是位置高、不是说重；C 原文没提机器贵	因果题找 by hand 后面的理由句（冒号后才是原因）
18	A small piece is fine — a whole bar is not	A、B 原文均未提	观点题只认作者原话，别拿生活常识代替
19	decided to turn the old computer room into a library	make/take 与 into 不搭	完形先看动词搭配（turn … into）
20	we borrowed four hundred (books) from the town library	lent 是\"借出\"，方向反了；sold 与图书馆相悖	借入/借出看方向
21	My friends and I carried the boxes up to the first floor	drove/followed 与\"自己搬箱子\"矛盾	完形先定语境再选词
22	Now the library is the quietest room in the school	有 the 和 in the school，必须用最高级	形容词等级看 the + 范围
23	On Fridays it stays open until five	keep/hold 不与 open 这样搭配	固定搭配 stay open
24	I spent two hours there last Saturday	pass time 是\"消磨\"；take 要接 it	固定搭配 spend + 时间
25–30	so nervous that…；twice a week；better than it was；in front of all the parents；anything before breakfast；recorded it on her phone	无选项完形只考功能词	先判断空后词性（程度副词 / 冠词 / 比较词 / 介词 / 连词）再填

Part 5 开放完形做题顺序：先通读整段抓住时态与逻辑 → 逐空判断\"缺什么词类\"（程度词 so / 冠词 a / 比较 than / 介词 in, before, on）→ 最后用\"介词搭配表 + 比较结构表\"复核。这一步比逐句猜词快得多，也是 KET 阅读最容易拿满分的部分。

四、写作范本

Part 6（邮件，≥25 词）

> To: Kim
> Subject: Swimming competition
>
> Hi Kim,
>
> Next month I'm going to take part in a swimming competition at my school. It's on the first Saturday of June, and I'll swim in the 50-metre race. I'm practising three times a week with my coach, and I swim for an hour before school. Would you like to come and watch? It starts at ten o'clock.
>
> See you,
> Li Hua

评分要点（三个内容点缺一扣分）：

内容点	范文对应句
比赛什么时候	It's on the first Saturday of June.
你如何准备	I'm practising three times a week with my coach.
邀请对方来看	Would you like to come and watch?

Part 7（看图写故事，≥35 词）

> Last spring Anna found a packet of sunflower seeds. First she put some soil in a big pot. Then she planted the seeds and watered them every morning before school. After two weeks a small green plant came up. In the summer a big yellow flower opened, and Anna was very proud of it.

三格图写作框架：图 1 交代时间 + 起因（found a packet of seeds / put soil in a pot）→ 图 2 写过程（planted … and watered … every morning）→ 图 3 结果 + 感受（a big yellow flower opened / was proud）。每格至少一句，全部用一般过去时，这是 Part 7 拿满分的骨架。

五、口语范文

Part 1（示例回答）

- Do you like shopping? — Yes, I do, but not for clothes. I like going to the market with my dad because I can choose the fruit, and he always buys me something small at the end.
- What do you usually buy with your pocket money? — Books and pens, mostly. I bought a football magazine last week, and I sometimes buy a present for my little brother.
- Tell me about something you bought recently. — I bought a red school bag online. It was cheaper than the one in the shop and it arrived in three days, so I was very pleased.

Part 2（示例回答）

- Which of these do you like best? — I like shopping at the market best, because the people there talk to you and you can ask for a small price. In a supermarket nobody speaks to you and it's very quick but boring.
- Do you usually go shopping alone or with your family? — With my family, usually on Saturday morning. I buy my own things now, but my mum carries the bags! When I need something small, I go alone to the shop on the corner.

- Is it important for young people to know how much things cost? — Yes, I think so. If you don't look at the prices, you spend all your money in one afternoon and then you can't buy the thing you really want. I always write down what I spend.
